BOTANIQ

Castle of Tura

In addition to the premium SPA service offering inspired by the flowers and plants of the BOTANIQ castle garden, our guests can enjoy the benefits of the Finnish sauna, steam cabin, and salt room on nearly 400 square meters. Achieving perfect relaxation is also supported by our warm water outdoor and indoor pools and relaxation area.

Pamper yourself in the hideaway of the fabulous castle, where you will experience the Wellness and Spa rituals, a pleasure for your body and your soul. Forget all your worries and relax in our steam bath or Finnish sauna of a unique atmosphere. Take a rest in the therapeutic salt room or swim in our heated outdoor pool. The idyllic Spa island of the BOTANIQ Castle was inspired by the characteristic plants and flowers to be found in the special

park of the castle. Immerse yourself in the atmosphere of this wonderful world, discover the unique pleasures and experience the luxury of natural recreation.

For our seasonal offers, SPA vouchers and treatment reservations, please contact our staff at the SPA reception or at the hotel's telephone extension provided.

BOTANIQ SPA RITUAL BY MEI BEAUTY

75 000 Ft
90'
◆◆◆◆◆

A green clay-based exfoliating cream with field horsetail and calendula extract moisturiser.

A unique treatment that combines the philosophy of BOTANIQ Collection and MEI treatments. The full body scrub and cleansing facial treatment contribute to physical and mental refreshment. Water-deficient poles are replenished by the plants, and the green clay extract nourishes and firms the skin.

MEI facial treatments

NUTRITIVE

Recommended all year round for dry, stressed and dehydrated skin.

A truly nourishing facial treatment to revitalize dry and dehydrated skin. The treatment begins with delicate exfoliation to prepare skin for a serum rich in vitamins, followed by a soft, rich macadamia oil and helichrysum flower extract. It nourishes the skin from the very first application, helping keep your skin firm, toned and radiant.

Spa etiquette

Booking appointments

It is advisable to book treatments one day in advance to ensure that your chosen treatment and appointment are available.

General information

We kindly request that you arrive at least 15 minutes prior to your appointment to fill in the health questionnaire and prepare for your treatment. You are also welcome to enjoy our other services, including diving in our pool, using the sauna, steam bath or the relaxation lounge before or after your treatment. Prices are subject to change without notice.

Cancellation policy

In case you need to cancel or reschedule your appointment, please inform us at least 4 hours ahead to avoid cancellation fees. In case of cancellation within 4 hours, the full price of the treatment will be charged.

In-room treatments or treatments after opening hours

In both cases, we can provide the treatments for an additional fee. Please contact our receptionist for details.

Age limit

Parental presence and a parental consent form are required prior to treatments for persons between 12 and 18 years of age. Facial treatments are available to guests over 16 years old. We do not perform treatments on minors under 12 years of age.

Health considerations

When booking a treatment, please carefully read and complete the health questionnaire. If you have any questions, please consult your therapist.

Mobile phones

The spa offers each guest the chance to relax in a tranquil environment. For the comfort of others, we would appreciate that you turn off your mobile phone whilst using the spa.

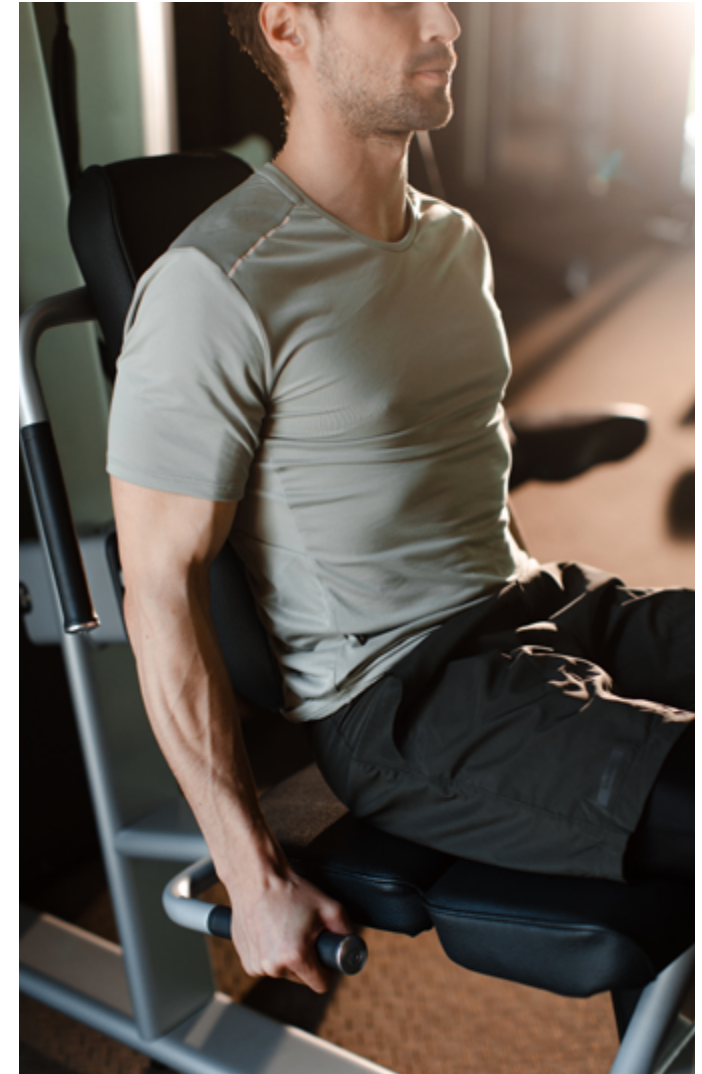

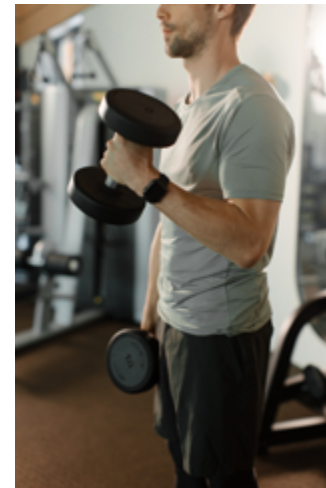

Recreation
