The BOTANIQ Tura Castle is a truly romantic wedding venue where the bride can feel like a princess, the groom like a prince and the invited guests like they are part of a fairy tale. Our team will do everything to ensure that every moment of your wedding is perfectly personalised - from the planning to the end of the celebration, we will help you make sure that everything happens exactly as you dreamed it.

The Castle is a truly natural wedding venue, ideal for 60-70 people. The vast Castle Park and the fabulous Botanical Garden provide an intimate setting for the ceremony, while our Ballroom in a thousand flowers is a place of celebration for the couple. For smaller wedding dinners, the Palm House provides a fitting setting. The newlyweds can choose from a variety of venues to celebrate their special day.

After a night of dancing the night away, the beautiful 19 rooms in the castle provide comfortable accommodation for loved ones and friends.

The exclusive Castle hire is available for a minimum of 2 nights and includes all 19 elegant rooms and spaces of the Castle (Large Salon, 2 Small Salons, Palm House, Bar) and the use of the Wellness area.

*Accommodation is available for up to 44 people.

Culinary delights are served in the impressive restaurant of our Castle, where our chefs guarantee a fabulous gastronomic experience using the finest ingredients. We offer international favourites as well as modern variations of typical Hungarian dishes. Our multi-course meal compositions are available tailored to the couple's individual needs.

Our dinner offers can be complemented with delicious cakes and dessert specialties, made on site by our pastry chefs.

Special menus are available on request to ensure that guests with restrictive diets can fully enjoy their wedding dinner.

Our Sommelier and Bar Manager colleagues take great care in creating a personalised menu, whether it be a welcome toast, wine pairing or cocktails, so that you can celebrate with the finest drinks on your wedding day.

Outside catering and drinks cannot be brought into the venue.

For our guests, we always prepare a unique menu tailored to your needs.

The Castle's fairytale exterior and interior can be enhanced by the magnificent wedding decorations.

A clean elegance, meticulous details and naturalness, that this venue provides is a dream not just for couples, but also for the wedding decorators. The Castle Park the intimate settings of the castle garden, the embrace of the rose garden or the seclusion of the ballroom can also be a stunning backdrop for the ceremony and reception.

For the lovers of outdoor celebrations, tent, flower gate and fireworks are also available to order and use.

To make the celebrations carefree, we've also thought of the little ones. On request, we can provide a children's corner and childcare, as well as a baby menu and high chair.
